Analysis Date: February 23, 2025

Analysis Time: 09:30:25

NCP MP Fauzia Khan Credit: PTI Photo

New Delhi: Rajya Sabha NCP MP Fauzia Khan on Monday said installation of dash cams in vehicles should be made mandatory to address concerns related to accidents and promote responsible driving practices.

## 2. Analysis Results

**Classification: MALIGNANT**

Confidence Score: 100.00%

A malignant classification suggests the presence of potentially cancerous characteristics. Immediate consultation with a healthcare provider is strongly recommended.

### **3. Technical Information**

Analysis performed using deep learning-based image classification model trained on medical imaging datasets. The model analyzes visual patterns and features to categorize the image into predefined classes.

### **4. Recommendations**

1. Review this report with your healthcare provider
2. Discuss any concerns or questions about the results
3. Follow your healthcare provider's recommendations for any additional testing or monitoring
4. Keep this report for your medical records

*This report is generated automatically and should be interpreted by qualified medical professionals. The analysis is based on machine learning algorithms and should be used as a supporting tool, not as a replacement for professional medical judgment. Regular medical check-ups and consultations are essential for proper healthcare management.*
