# Brain Tumor Detection Report

Uploaded Image:

Prediction: Tumor Detected

Tumor detection %: 99.92%

3. Technical Information

Analysis performed using deep learning-based image classification model trained on medical imaging datasets. The model analyzes visual patterns and features to categorize the image into predefined classes.

4. Recommendations

1. Review this report with your healthcare provider
2. Discuss any concerns or questions about the results
3. Follow your healthcare provider's recommendations for any additional testing or monitoring

4. Keep this report for your medical records
